

Chameleons are known to change their color in order to hide.  
 Proverbs 28:13 reminds us that we shouldn't hide our sins,  
 but that we should confess them as Jacob did and ask for God's blessings.

**YOU WILL NEED:**

- 5-6 Green Pipe Cleaners
- 2 Googly Eyes
- Marker
- Hot Glue Gun
- 1 Red Pipe Cleaners
- Scissors
- Ruler

**DIRECTIONS:**

1. At one end of a green pipe cleaner, twist a loop about 1x1½" in size to make the head. Twist on a 5" piece of red pipe cleaner.

5. To make the front legs, twist the pipe cleaners around each other, leaving the ends free for toes.

9. Wrap the head once more with a long green pipe cleaner to fill it out more.

2. Wrap a green pipe cleaner around the head in a circular motion, covering it completely.

6. Wrap a green pipe cleaner around the marker to make a spiral for the body.

10. Using the marker, form two circles for the eyes from the green pipe cleaner.

3. Cut 4 pieces of green pipe cleaners, each 4" long.

7. Slide the spiral onto the long pipe cleaner close to the front legs.

11. Glue the green circles and eyes to the head.

4. Fold two of the green pipe cleaner pieces in half and attach them to the long green pipe cleaner close to the head.

8. Make the hind legs as in step 5.

12. Roll the tail and tongue of the chameleon into a spiral. All done!
