

SHINE HOLY SPIRIT

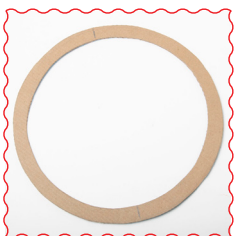

Jesus sends the Holy Spirit to bring us gifts that will help us to live for Him while we work with Him, like He did for His followers in Acts 2:4. All you have to do is ask Him.

YOU WILL NEED:

- Black, Red, Orange, Yellow Cardstock
- Colored Tissue Paper
- Brush for Glue
- Thread
- Cardboard
- School Glue
- Needle
- Black Marker
- Nail Scissors
- Pony Beads
- Pencil
- Compass
- Ruler
- Craft Knife
- Awl

DIRECTIONS:

1. From cardboard, cut out a ring 9" in diameter with a 1/2" wide border.

5. Open up the two black sheets so that the doves are facing in opposite directions. Glue pieces of yellow, orange, red, and white tissue paper over all of the cutouts on the left-hand sheet.

9. Trim the cardstock around the ring a final time.

2. Place the circle in the middle of a sheet of paper. Draw a dove with a background of flames inside the circle. The outlines should be 1/4" wide.

6. Color the edges of the cardboard ring with a black marker. Glue the cardboard ring on the right-hand sheet of black cardstock.

10. Cut out a few flame shapes from cardstock. Write on them some of these gifts from the Holy Spirit: wisdom, knowledge, understanding, trust in God, follow Jesus, flee from sin, overcome difficulties.

3. Carefully cut out the dove and background.

7. Trim the edges of the cardstock around the glued ring.

11. Run a piece of strong thread through the top of each flame and string on a few beads.

4. Place two sheets of black cardstock together. Using your pattern, cut around the dove and flames using a thin-bladed craft knife.

8. Place the trimmed ring on the left hand piece of cardstock and glue down.

12. Poke a few holes at the bottom of the dove ring. Tie threads with beads and flames to the ring.
