

# ILLUMINATING Candle

Candles remind us that Jesus is the light of the world, and that we too should shine our light (Matthew 5:16).

## YOU WILL NEED:

- Glass Jar
- Tissue Paper
- Small Bowl
- Scissors
- Brush
- School Glue
- Water
- Votive Candle, Battery-powered Candle, or Tea Light 

## DIRECTIONS:

1. Cut tissue paper into small pieces.

2. In a small bowl, mix one part glue to one part water.

3. Apply a thin layer of glue over the entire jar and apply the tissue paper pieces. Let dry. Paint another layer of glue on top if you like. Don't worry, the glue will dry clear.

4. Put the candle into the jar and let a parent help light it, or just turn it on if battery-powered.

Adult assistance is suggested.
