

These fuzzy creatures are fun, but fragile, and remind us of John 10:11 - Jesus cares for His sheep.

YOU WILL NEED:

- White or Tan Eggs
- Cotton Balls
- Construction Paper (black, white, tan)
- Pipe Cleaners
- Googly Eyes
- Black Yarn
- Black Marker
- Scissors
- School Glue
- Hot Glue Gun 

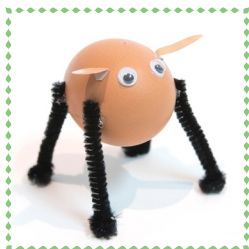

DIRECTIONS:

1. With the pin, carefully poke a small hole at the bottom and side of the egg then pour out the insides.

2. Cut 4 pieces of pipe cleaner 2" long. Hot glue 4 of them onto the egg and bend the ends for the feet.

3. Cut out 2 ears, and glue the ears and eyes on the end of the egg without the hole.

4. Glue cotton balls or twisted yarn around the egg, leaving only the face.

5. Draw a nose and a mouth.

6. The sheep are ready to explore the meadow.
