

Ants do their chores eagerly, without being told, as Proverbs 6:6-8 tells us.
We can learn from ants about being good workers
and how not to be lazy.

YOU WILL NEED:

- 2 Black Plastic Spoons
- White Paint
- Pipe Cleaners
- Brush
- Cutting Pliers
- Hot Glue Gun
- Googly Eyes
- Acorn Cap

DIRECTIONS:

1. Cut off 1/3 of the handle of each spoon.

2. Glue the spoons to each other as shown.

3. Wrap 3 pipe cleaners around the spoons and glue the under side.

4. Bend the legs.

5. Glue the eyes and acorn cap. Draw the ant's mouth.

6. The ant is ready!
