

Jesus changed water into sweet grape juice (called wine in the Bible).  
With Jesus as our friend, our lives will be more fruitful and so much sweeter (John 15:1-2).

### YOU WILL NEED:

- Purple Fabric
- Green Craft Felt
- Brown Craft Felt
- Foam Sheet
- Cotton Balls
- Thread
- Needle
- Jute Twine
- Ruler
- Pencil
- Wire
- Plier Cutters
- Hot Glue Gun

### DIRECTIONS:

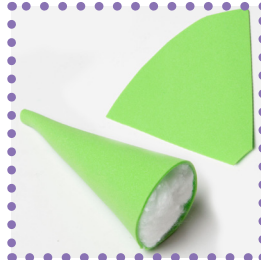

1. Cut a 3" circle of fabric. Sew gathering stitches around the edge.

2. Put a cotton ball in the middle of the circle. Tighten the thread and tie it in a knot.

3. Repeat steps 1 & 2, making approximately 30 grapes.

4. Cut a triangle from a 4" x 4" inch piece of foam. Curl the sides together forming a cone. Glue the edges and fill with cotton balls.

5. Glue the grapes onto the cone with hot glue gun.

6. Cut green leaves from felt. Cut thin strips of brown felt. Make a knotted loop from jute twine.

7. Cut a 6" piece of wire. Wrap a brown felt strip around the wire, gluing with hot glue.

8. Glue one of the leaves to a brown strip of felt, then glue it to a cluster of grapes.

9. Glue the cluster of grapes and leaves to the vine.

10. Glue the jute twine loop to the vine for a hanger. Done!
