

SHARING MUSIC

When we learn about Jesus and His indescribable love for us, we want to tell others about Him—even through song and music, as it says in Hebrews 2:12.
Have fun making music to praise the Lord.

1. For the Pan Flute: Cut a 5" x 1" strip of poster board and cover one side with double-sided tape. Line up straws evenly in a row on the sticky side.

2. Pull the parchment paper down over the mouth of the plastic container. Wrap rubber bands around it tightly.
