

Bunnies are peaceful creatures and overcome their enemies by hopping away. Jesus asks us to love our enemies as it says in Matthew 5:44. How can you show love today?

### YOU WILL NEED:

- 1 Microfiber Cleaning Towel
- Black Craft Foam
- White Felt
- Pipe Cleaners
- Pink Craft Foam
- Glue Stick
- Rubber Bands
- Scissors

### DIRECTIONS:

1. Fold the towel in half diagonally.

2. Grasp the top of the triangle and fold the two tips in half. Fasten with an elastic band 2-3 inches from the end to make the ears.

3. Roll up the long edge of the triangle until you reach the ears.

4. Fold ends backward and fasten with an elastic band behind the ears. This will be the head.

5. Fold the ends of the towel forward underneath as shown.

6. Tuck in the tips. Wrap with a rubber band around the ends and the head to form the front paws.

7. Pull out a little bit of fabric at the back and fasten with a band to form the tail.

8. Make nose, mouth, whiskers and eyelashes and glue them to the face along with the eyes. The bunny is ready!
