

The book of John tells us that Jesus came as the Light to shine in the darkness and give us life. Let the Light of Jesus burst into your heart today (John 1:4-5).

YOU WILL NEED:

- Scrolled-edge Chalkboard Sign *
- Glow-in-the-Dark Phosphorescent Marker **
- Table Lamp
- Jute Twine
- Pencil

DIRECTIONS:

1. Write in pencil on the chalkboard: **LIGHT SHINES in the DARKNESS**(Jn. 1:5). Draw rays of light coming down from the top left corner.

2. Read the instructions for use of the glow-in-the-dark marker. Trace over the text and the rays with the marker. Let it dry.

3. Tie a piece of twine through two holes in the top of the board for a hanger. Hold the chalkboard sign under the light of a desk lamp for a few minutes.

4. Turn off the lights in the room. The text and rays of light will shine in the dark.

* Cardboard paper may be used instead of a chalkboard sign.

** Glow-in-the-dark paint may be used instead of glow-in the dark markers.
