

When we live by God's law of love, we will be building one another up by showing kindness and compassion. We can be that light to brighten someone's day, and in turn be blessed (Isaiah 52:10).

YOU WILL NEED:

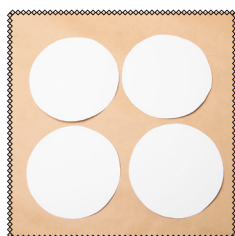

- Set of Plastic Storage Containers with Lids
- Red and White Cardstock
- Double-Sided Tape
- Markers
- Scissors
- Glue Stick
- Compass
- Paper
- Pencil
- Big Bowl
- Big Spoon
- Dried Fruit
- Tiny Cookies
- Candies
- Nuts

DIRECTIONS:

1. Using compass and pencil, draw and cut out a circle from paper the same size as the container lid without the rim.

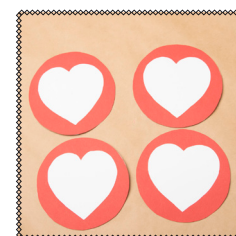

2. Use this circle as a pattern to cut from cardstock enough white circles for all the containers.

3. Fold the paper circle that you used for a pattern in half. Draw half a heart along the fold. Cut out the heart so you have a stencil with a heart in the middle.

4. Cut out the same number of red circles as you have of white ones. Place the stencil on the red circles and trace around the heart. Carefully cut the heart shape out of the center.

5. Glue the red circles with the heart-shaped holes over top of the white circles.

6. Where the white heart is showing, write: **CHRIST AID KIT**.

7. Wash plastic containers and lids with soap. Rinse well. Let dry or wipe dry.

8. Pour nuts, dried fruit, cookies, etc. into a large bowl. Stir with a large spoon.

9. Spoon the mixture into the containers.

10. Put the lids on the containers. Using double-sided tape, glue heart circles to the top of the lids. Show someone kindness by giving them your "Christ Aid Kit" to brighten their day, and yours too!
