

Bird Feeder

Attract some feathered friends by making this bird feeder. The saying that “birds of a feather flock together” is often true and many show kindness to each other. Let’s show kindness like it says in Colossians 3:12.

YOU WILL NEED:

- Cardboard Carton
- Scissors
- Ruler
- Paint
- Brushes
- Pencil
- Hole Puncher
- Ribbon
- Birdseed

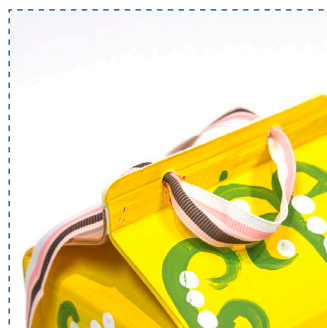

DIRECTIONS:

1. Cut out windows from all sides of the carton.

2. Decorate the carton and let it completely dry.

3. Punch two holes through the top of the carton, pull a ribbon through the holes and tie a knot at the top.

4. Bird feeder is ready. Hang the feeder in a convenient place and add the birdseed in the bottom.
