

God wants us to be His children and hide His laws in our minds.
Would you allow our Lord to write on your heart like it says in Jeremiah 31:33?

YOU WILL NEED:

- Cardboard
- Colored Cardstock
- Ruler
- Glue Stick
- Pencil
- Scissors
- Marker
- Ribbon
- Photo Printout
- Masking Tape
- Craft Knife

DIRECTIONS:

1. Print out or draw the attached patterns. Tape shapes 2 and 3 together to form half a heart. Cut out.

2. Use the pattern you just made to cut out a heart shape from cardboard.

3. Cut out an 8" circle and an 8" ring (1" thick) from cardboard. Cover the inner and outer edges of the cardboard with masking tape.

4. Glue 5 small pieces of cardboard (1/2x1/4") along the bottom edge of the circle to act as spacers.

5. Place the ring on the circle and secure them together with tape at the sides and bottom. Leave the top open for inserting the photo.

6. Cut out another ring from light cardstock. Write on it the phrase: PEOPLE OF GOD SERVE HIM AND OTHERS. Glue it onto the photo frame.

7. Trace with a pencil around your hand. Cut out.

8. Cut out 20-24 of these handprints from multi-colored cardstock.

9. Glue the hands onto the heart so that the cardboard is no longer visible.

10. Cut out a 13x2" strip from cardboard. Glue it onto the back of the heart at the middle. Glue a loop of ribbon on top and secure it with masking tape.

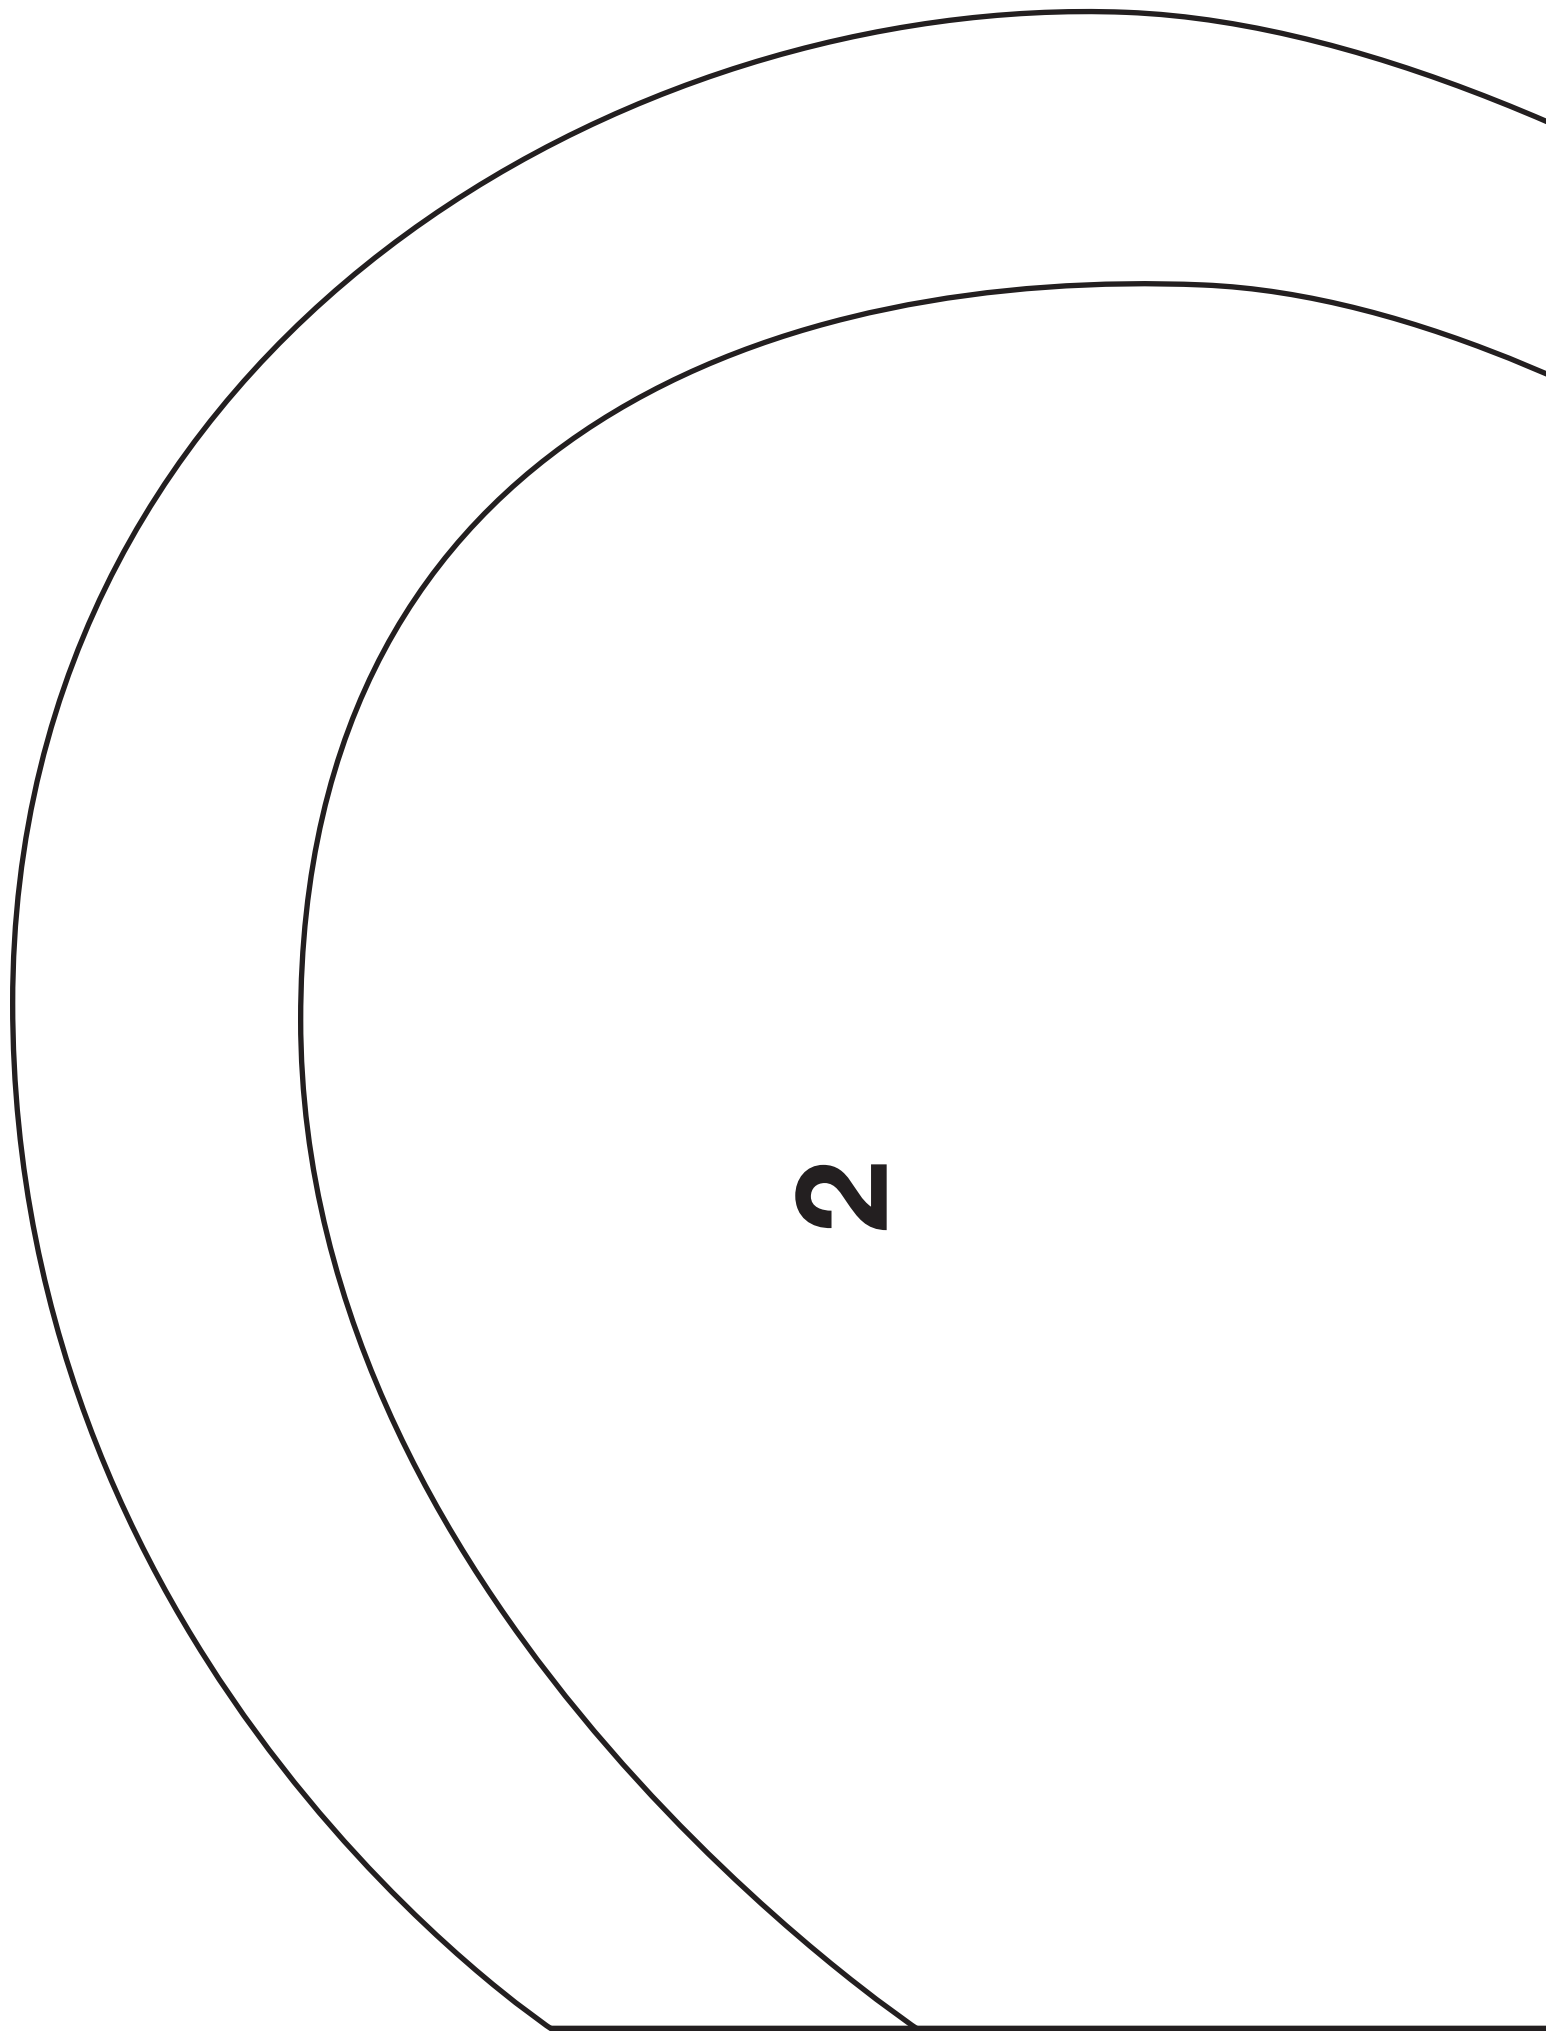

11. Print out an 8x8" photo of your friends or family helping people. Trim the photo into a 7" circle. Insert it into the round frame.

12. Glue the circle picture frame to the cardboard strip in the middle of the heart. Done!
