

# SERVING STAND

When serving others, we should always do our best because we're really serving the Lord (Ephesians 6:7). Make this decorative serving stand to be used while sharing the love of Jesus with your whole heart!

## YOU WILL NEED:

- Paper Napkins with Flowers or Fruit Pattern
- Industrial Strength Adhesive
- Mod Podge (dishwasher-safe kind)
- 2 Tall Glass Candle Holders
- 1 Large Flat Plate
- 1 Medium Flat Plate
- 1 Small Bowl
- Sponge
- Paint
- Brush

## DIRECTIONS:

**1.** Remove all stickers from plates and candle holders. Wash them with soap. Rinse well and dry.

**5.** Cut or carefully tear the flowers or fruit out of the napkin.

**9.** Using industrial strength adhesive, glue the candle holders to the middle of the large and medium plates. Give the glue time to dry.

**2.** Apply a coat of Mod Podge to the candle holders. Let dry. Paint the candle holders white except for the top and bottom surfaces. Let dry. With a dry brush, lightly apply gold paint to the edges. Let dry. Apply another coat of Mod Podge. Let dry.

**6.** Arrange the patterned pieces around the edge of the large plate. Pick up one piece at a time and apply Mod Podge underneath, placing it back down on the plate. Brush a layer of Mod Podge over the top of the pieces.

**10.** Glue the medium plate to the top of the candle holder on the large plate. Give the glue time to dry.

**3.** Gently rub the napkins between your fingers to separate the layers.

**7.** Repeat #6 using the medium-sized plate.

**11.** Glue the small bowl to the top of the candle holder on the medium plate. Allow the glue to dry.

**4.** Separate the patterned top layer of the napkin from the white layer.

**8.** Repeat #6 again, gluing flower or fruit pieces to the outside of the small bowl.

**12.** The serving stand is ready to use! To avoid breakage, be sure to pick up the serving stand only by the bottom plate. Rinse it with water before using.
