

Jesus showed compassion to the Greek woman in Mark 7:27-28 that led to her persistence in seeking the warmth of His love. Will you warm up to Jesus today?

YOU WILL NEED:

- Two Pairs Cotton Knee Socks
- 5 lb. Rice
- Essential Oil
- Black Felt
- White Felt
- Cotton Balls
- Needle
- Thread
- Scissors

DIRECTIONS:

1. Cut the socks into pieces (1-8) and (9-11) as shown in the picture.

5. Turn pieces 10 & 11 inside out. Stitch pieces 10 & 11 together, placing the heel portion of piece 10 at the end.

9. Place a few drops of essential oil into the rice and mix well. Pour the rice into the body.

2. Turn piece 9 (muzzle) inside out and stitch along the dotted lines as shown. Turn it right side out and stuff with torn cotton balls. Gather and sew the open end shut.

6. For the paws, sew up the long edge and one end on each of pieces 1 - 4. Turn right side out.

10. Put piece 7 into the open end of the body. Sew this piece inside the heel portion at the front of the body for padding.

3. Cut out a 3" circle of black felt. Put a cotton ball in the center and sew the edges to make a ball. Sew the ball to the tip of the muzzle.

7. Stuff piece 7 well with cotton. Sew edges.

11. Sew on the other two paws and fasten the edges well, turning the seams inward. Sew up the seam on the tail.

4. Cut out eyes from black and white felt. Sew the eyes and ears (pieces 5 & 6) to the top of the head.

8. Sew two paws to the flat part at the end of the body.

12. Sew the tail and head to the body. This dachshund can relieve pain. Heat in the microwave for a minute or two, then apply to get warm.
