

MASON JAR AQUARIUM

Program KCCC230003 "God is Faithful - Jonah and the Fish"

To watch this episode go to 3ABNKids.tv

SCRIPTURE Jonah 2:2

SUPPLIES:

- 16-ounce plastic mason jar with lid
- 1½ cups of water
- Two 4" plastic aquarium plants
- ½ cup aquarium gravel
- 1 plastic fish
- Small model of a person (Jonah)
- Submersible candle light (optional)
- Blue food coloring
- Hot glue gun 
- Hot glue sticks
- 2 spoons
- 2 small round neodymium magnets (about 5 mm x 3 mm)
- 1 larger round neodymium magnet to use on the outside of your jar to make your fish and Jonah move

DIRECTIONS:

1. Attach submersible candle light to the bottom of the lid using hot glue. Set aside to dry.
2. Place a small glob of hot glue on one of the small magnets and place the small person standing on it. Set aside to dry.
3. Place a small dab of hot glue on the side of the fish and place the other small magnet on the glue. Set aside to dry.
4. Place a plastic plant or two into the jar.
5. Use a spoon to add gravel around the bottom of the jar, covering the base of the plants.
6. Add a few drops of blue food coloring to your water and mix with a spoon.
7. Slowly pour the water into the jar.
8. Place the fish and the small person into the jar.
9. Screw the lid in place.
10. To turn on the light, carefully remove the lid, turn on the light, and replace the lid. If you are only making aquariums and not night lights, you can glue the lid on.

**While gazing at the peaceful aquarium,
you can remember that God is faithful to us,
just like He was to Jonah!**

Adult assistance is suggested.
