**SCRIPTURE**  
**Matthew 14:22-36**

## SUPPLIES:

- Wooden board (6" x 9")
- Two cockle or clam shells
- Green sea glass (can use other items for head and four legs)
- Hot glue gun ⚠
- Hot glue sticks
- Drill for drilling holes to hang craft ⚠
- Rope for hanging craft

## DIRECTIONS:

1. Place the board on the table in front of you. If you would like to use a rope to hang your craft, have a parent help you drill two holes large enough for the rope to pass through in each top corner.
2. Arrange your shells, one toward the top left, one toward the right bottom, making sure to leave room for the heads and flippers of your turtles.
3. Place your sea glass for the head and flippers of each turtle.
4. Carefully lift up each shell and put hot glue on it. Place them back where you want them. Then, put hot glue on the glass for the head and place it back down. Hot glue each of the four flippers (two on each side toward the top for front flippers, and two on each side toward the bottom for the back flippers). Allow glue to dry.
5. From the back of your craft, push one end of rope through the right hole, tie a knot to secure it. Repeat with the other end of the rope in the left hole. Your craft is ready to hang. Enjoy your creation!

**Remember, Jesus is always there with you.  
He walks with you wherever you go!**
